

ScreenGuard™
Stainless Steel Security

Strength you can trust.

ScreenGuard™ sets the benchmark in stainless steel security for windows and doors – combining strength, style, and reliability.

Designed for modern living, ScreenGuard protects what matters most – your family, your home, and your peace of mind.

Crafted from premium 316 stainless steel, it's built to last through Australia's toughest conditions while maintaining a sleek, unobtrusive look complementing any home or business.

DARLEY
ALUMINIUM

ScreenGuard uses the unique *WedgeMAX* rib design to provide additional strength and resistance against intruders.

The *WedgeMAX* system combines an L-Seat and precision wedge to deliver one of Australia's strongest premium security screens.

Features and benefits

- ▶ Made from high tensile 316 marine grade and corrosion resistant stainless steel mesh
- ▶ ScreenGuard meets the higher 200 joules (SL200) requirement for dynamic impact testing, double the previous 100 joules requirement
- ▶ Tested to Australian Standard AS3959, with a Bushfire rating of BAL40
- ▶ Tested to Australian Standards AS5039.1:2023 & AS5039.3:2023 – Security Testing
- ▶ Tested to AS1530.4:2014 for fire attenuation at a heat flux of 40kW/m², with a test duration of 3 hours and 10 minutes.
- ▶ Tested and compliant with AS 5203:2016 – Protection of Openable Windows/Fall Prevention
- ▶ Security screen systems are available with internal quick-release mechanisms, allowing occupants to exit without the use of a key
- ▶ Australian designed and engineered

Tested to Australian Standards

ScreenGuard's patented security screen products have been tested and meet Australian Standard AS5039. These tests are designed to simulate an attack using force to gain entry into a home.

Dynamic impact

Anti-jimmy

Knife shear

Screen pull

Screen probe

Child fall prevention

Bushfire rated

Fire attenuation

Darley Aluminium understands how important it is for customers to receive trusted solutions, quality products, and reliable supply for their projects. That's why we are committed to delivering high standards and friendly, dependable service you can rely on.
